

KATRINA HAYNES

Director, K Haynes HR - HR Matters

Practical people solutions to minimise risk and maximise performance

ABOUT

Katrina's passion is helping businesses become productive, profitable, great places to work. She believes every business can be successful and loves ensuring managing and developing people is not only effective, but easy.

She has over 19 years of strategic and operational HR experience with a strong focus on developing high performing teams and improving business success.

Katrina works with small to medium sized businesses within a variety of industries across Australia.
